The screenshot shows the WordPress dashboard in a web browser. The address bar indicates the URL is `nasaws3.csie.ntu.edu.tw:8080/wp-admin/`. The dashboard features a left-hand sidebar with navigation links: Dashboard, Home, Updates, Posts, Media, Pages, Comments, Appearance, Plugins, Users, Tools, Settings, and Collapse menu. The main content area has a header with "Screen Options" and "Help" buttons. Below the header is a large "Welcome to WordPress!" banner with a link to "Learn more about the 6.7.2 version." and a "Dismiss" button. The dashboard is divided into three columns, each with a card: "Author rich content with blocks and patterns" (with a link to "Add a new page"), "Customize your entire site with block themes" (with a link to "Open site editor"), and "Switch up your site's look & feel with Styles" (with a link to "Edit styles"). At the bottom, there are two expandable sections: "Site Health Status" and "Quick Draft".
